

KICK OUT FLASHING

A kick out flashing shall be installed where the lower portion of a sloped roof stops within the plane of an intersecting wall cladding, in such a manner as to divert or kick out water away from the assembly.

MR 1309.0703, section R703.8 item #9 (wall coverings)

MR 1309.0903, section R903.2.2 (roof assemblies)
