Subd. 2 Abatement Procedure. Unless the nuisance is subject to special procedures described in State law or elsewhere in this Code, in which case those procedures shall be followed, the City may abate a nuisance by the procedure described below:

A. Notice. The enforcement officer or his or her authorized representative shall serve a written notice upon the owner and occupant. The notice may be served upon any additional party known to have caused the nuisance. The notice shall contain the following:

The City Administrator shall mail a copy of this resolution to same parties required to be notified in Subd. 4 of this Subsection.

Subd. 6 City Abatement. If the remedial action is not taken nor an appeal filed within the time specified, the City may abate the nuisance.

A good faith estimate of the diminution in value or the abatement costs, not the actual cost calculated after the abatement is completed, shall be the basis which determines whether this abatement procedure shall be used.

3. The abatement deadline, to be determined by the enforcement officer allowing a reasonable time for the completion of any act required;
4. A statement that if the remedial action is not taken before the abatement deadline, the matter shall be referred to the City Council who, after a public hearing, may order the City to abate the nuisance and charge all costs incurred against the real estate as a special assessment to be collected in the same manner as property taxes, or issue a citation for violation of City Ordinance.

B. Setting Hearing Date. If the remedial action is not taken within the time specified in the written order, the enforcement officer may notify the City Council that substantial abatement shall be necessary and appropriate. Upon being notified by the enforcement officer, the City Council shall, as soon as possible, fix a date for an abatement hearing.

- a. confirmed mail service which shall be either certified mail with signed receipt returned or first class mail confirmed by written response;
- b. mailing the notice to the last known address and publishing the notice once a week for two weeks in a newspaper of general circulation in the City and posting the notice in a conspicuous place on the building or property.

D. Hearing. At the time of the public hearing, the City Council shall hear from the enforcement officer, authorized representative(s) and any other parties who wish to be heard. After the hearing, the City Council shall adopt a resolution, describing what abatement action, if any, it deems appropriate. If the resolution calls for abatement action it may either order the City to take the abatement action or fix a time within which the nuisance shall be abated and provide that if corrective action is not taken within the specified time, the City shall abate the nuisance. The City Administrator shall mail copies of the resolution to the parties required to be notified in Subd. C above to their last known mailing address.

Subd. 8 Emergency Abatement Procedures. When the enforcement officer or an authorized representative determines that a nuisance exists on a property and the nuisance constitutes an immediate danger or hazard which if not immediately abated shall endanger the health or safety of the public and there shall not exist sufficient time to follow the procedures of Subdivisions 6 or 7, the City may abate the nuisance by the procedure described below.

A. Order by City Administrator. The City shall order emergency abatement by an administrative order to be signed by the City Administrator or his/her designee. A good faith effort shall be made to inform the owner that the action is being taken.

1. A description of the nuisance;
2. The action taken by the City;
3. The reasons for immediate action;
4. The costs incurred in abating the nuisance and a statement that these costs may be charged as a special assessment against the property and collected in the same manner as property taxes; and
5. A statement that the owner may obtain a hearing before the City Council to review the actions taken by the City by filing a written request with the City Administrator within ten working days of the date of the notice.

C. Setting Hearing Date. In the event that the owner files a request for a review of the action with the City Administrator, the City Council shall as soon as possible fix a date for a public hearing.

D. Hearing Notice. The City Administrator shall notify the owner of the date, time, place, and subject of the hearing.

E. Hearing. At the time of the hearing, the City Council shall hear from the enforcement officer, any authorized representative(s) and any other parties who wish to be heard. A copy of the resolution shall be mailed to the owner.

400.10 RECOVERY OF COST.

Subd. 1 Personal Liability. The owner of premises on which a nuisance has been abated by the City shall be personally liable for the cost to the City of the abatement, including as soon as the work has been completed and the cost determined, the city clerk or other officer designated by the Council shall prepare a bill for the cost and mail it to the owner. SECTION 407.00 JUVENILE CURFEW.

- 407.01 Findings and Purpose.
- 407.02 Definitions.
- 407.03 Prohibited Acts.
- 407.04 Defenses.
- 407.05 Penalty.

407.01 FINDINGS AND PURPOSE.

A. In recent years, there has been a significant increase in juvenile victimization and crime. At the same time, the crimes committed by and against juveniles have become more violent. A significant percentage of juvenile crime occurs during curfew hours. This ordinance sets a Scott County-wide, nighttime curfew for juveniles. This ordinance is adopted pursuant to Minnesota Statutes 145A.05, Subd. 7 a (1995).

B. Because of their lack of maturity and experience, juveniles are particularly susceptible to becoming victims of older perpetrators. The younger a person is, the more likely he or she is to be a victim of crime.

C. While parents have the primary responsibility to provide for the safety and welfare of juveniles, Scott County also has a substantial interest in the safety and welfare of juveniles. Moreover, Scott County has an interest in preventing juvenile crime, promoting parental supervision, and providing for the well being of the general public.

D. A county-wide curfew will reduce juvenile victimization and crime and will advance public safety, health, and general welfare.
