The City of Belle Plaine has defined a resident as an individual who lives within the city limits and pays city tax dollars. Since residents already pay City of Belle Plaine taxes to support the funding of the aquatic center, they are eligible for the discounted resident rate. *Family pass definition: immediate family members consisting of up to 2 adults (parent/guardian) and their dependent children under the age of 23, all must live in the same household, for more information see pool rules and regulations.
