## Memorial Bench and Tree Program

## About the Program

### The Memorial Bench and Tree Program honors the memory of a loved one.

Through the Memorial Bench and Tree Program, friends and relatives can provide a unique dedication to loved ones by placing a tree or bench in one of the beautiful parks of Belle Plaine. This historical dedication provides a lasting remembrance in honor of a loved one and enhances the meaning of a bench or tree to observers. The gift is also a valuable contribution to the park system which is utilized by children, youth and adults.

People of all ages visit our parks on a daily basis to enjoy park trails, athletic sports, playground activities, concerts and other gatherings and neighborhood activities. Others come to the parks just to relax and get away from the stresses and pressures of everyday life.

Whatever reason for visiting our parks, your generous gift will be recognized and appreciated by the park system. The City of Belle Plaine would like to thank you for your dedication to enhancing our parks with your gracious generosity.
